

The image is a close-up, artistic photograph of several layers of wool felts. The felts are stacked vertically, showing a range of natural wool colors from light beige to dark brown. The texture is fibrous and slightly uneven. On the left side, a large number of loose, fine wool fibers are scattered, some appearing to float or drift across the frame. The background is a soft, out-of-focus green, suggesting a natural, outdoor setting. The overall composition is vertical and emphasizes the tactile quality of the wool.
